

02 : About Technology Support and Solutions

Raymond Young :: Ralph Hoadley

Web Design - Network & Computer Support

Technology Support & Solutions, INC

Ray Young founded Technology Support & Solutions, INC to take care of small businesses in Chicago. He has worked for several Chicago area technology companies such as Chicago Computer Solutions, InvenIT inc., Westbound Consulting, and Vanguard Technology.

In addition, he has worked in an educational capacity for Harold Washington College and Palm handheld computers.

During his college career, he received many awards and honors such as: National Science Foundation Scholarship Recipient; Awarded ISAC Quern Technology Grant; and Membership in the National Society of Collegiate Scholars and Phi Theta Kappa. He constantly furthers his knowledge with numerous educational seminars and classes.

Ray Young graduated from DePaul University with Bachelor in Computer Science. Throughout his career, Ray has been actively involved in humanitarian and community issues. He has served as a volunteer at Senn High School and Beethoven Grammar School. He taught students how to make web pages as part of a program, Carpe Diem, sponsored by the Chicago Software Association.
